**PROSPECTUS FOR ADMISSION TO DEGREE IN PHARMACY
(BPharm) - 2020-2021**

MGM GROUP OF INSTITUTIONS

Education is no more the same. Gone are the days of conventional classrooms and campuses. A paradigm shift is happening in all spheres of education right from kindergarten to higher levels of learning. The need of the hour is to catch up with the changes happening in the field and developing innovative models in education so as to breed and nurture the best talents for the changing world.

It was its haunting vision to introduce new paradigms in quality education and produce towering beacons in the professional ecosystem, MGM Group of Institutions established in the year 1993, named after the Eminent Saint Geevarghese Mar Gregorios, reverently referred and known as Parumala Thirumeni (Bishop of Parumala). The MGM group of institutions is committed to impart world class education by inculcating professional knowledge and confidence among its students. As envisioned by MGM Groups's founder and Chairman, Dr Geevarghese Yohannan, the Group is committed to providing world class education supported by the state-of-the-art infrastructure and Technology-aided teaching across a broad range of disciplines.

The MGM is not just a group of institutions which impart world-class education, but an experience where everyone associated with it is part of a mission to ensure that students have universal and equitable access to higher education in various disciplines and inculcate professional values embedded in knowledge and confidence to become highly competent in today's dynamic and technology-driven world.

INTRODUCTION

The initiation of MGM Silver Jubilee College of Polytechnic and Pharmaceutical Sciences commemorates the 25th benchmark year of MGM group of institutions and targets to impart quality education in Pharmaceutical Sciences. The college personifies multi-disciplinary academic excellence through the exceptional quality of its education system that is modern and comprehensive, with special emphasis on core human values. As one of the most recent measures to further career-oriented education, the college has its focus on fostering the students as decidedly skilled pharmaceutical experts with professional integrity

Pharmacy is a well-rounded profession, blending science, health care, direct patient contact, computer technology, and business. Pharmacists play a vital role in improving patient care through the medicine and information, they provide. Careers in pharmacy offer many benefits and opportunities. These include working in the community, a hospital, home health care, pharmaceutical research companies, nursing homes, government health agencies, and higher education. In addition, pharmacy has excellent earning potential and is consistently ranked as one of the most highly trusted professions due to the care and service pharmacists provide.

MGM Silver Jubilee College of Polytechnic and Pharmaceutical Sciences, MGM Technological Campus, Pampakuda is located in a serene and picturesque pollution-free environment by the side of the Muvattupuzha - Piravom road. The institution offers BPharm course approved by AICTE, Pharmacy Council of India and affiliated to Kerala University of Health Sciences. The annual intake of students to B. Pharm course in the college is 60. The

Institution ensures ethical and innovative based professional education in the field of Pharmaceutical Science.
